

# What is Integrated Regional Water Management?

## Join us for a FREE webinar

As a preview to the [Statewide Virtual Summit, "Ensuring Equitable Engagement in Regional Water Planning"](#) scheduled for October 8<sup>th</sup>, 13<sup>th</sup> and 14<sup>th</sup>, the Integrated Regional Water Management (IRWM) Roundtable of Regions invites you to join us to learn more about:

- Integrated Regional Water Management: the benefits of regional planning and who should participate in IRWM;
- How to participate in your region's IRWM; and
- The role of the [IRWM Roundtable of Regions](#) and their "Disadvantaged Communities Working Group"

The webinar will also feature local representatives from three IRWM regions who will share their perspective on the benefits, successes, and challenges of participating in their region's IRWM program.

### Who Should Attend this Webinar?

- Community Members
- Tribal Members
- Water and Wastewater Service Providers
- Local and State Elected Officials and staff
- State Agencies
- Non-governmental Organizations (NGOs)
- Anyone interested in regional water management
