

## Panorama Heights Surface Seals Project

Road/Lane Closures Needed

### Project Summary

OC Public Works will complete a road maintenance project on a selection of local and arterial streets in the unincorporated Orange County area of Panorama Heights and along boundaries with neighboring City of Orange. Work consists of removing existing traffic striping and pavement markings, applying a Surface Seal to the road surface and re-establishing traffic striping and pavement markings.

### WHAT

Access to residences may be limited during working hours depending on location of work.

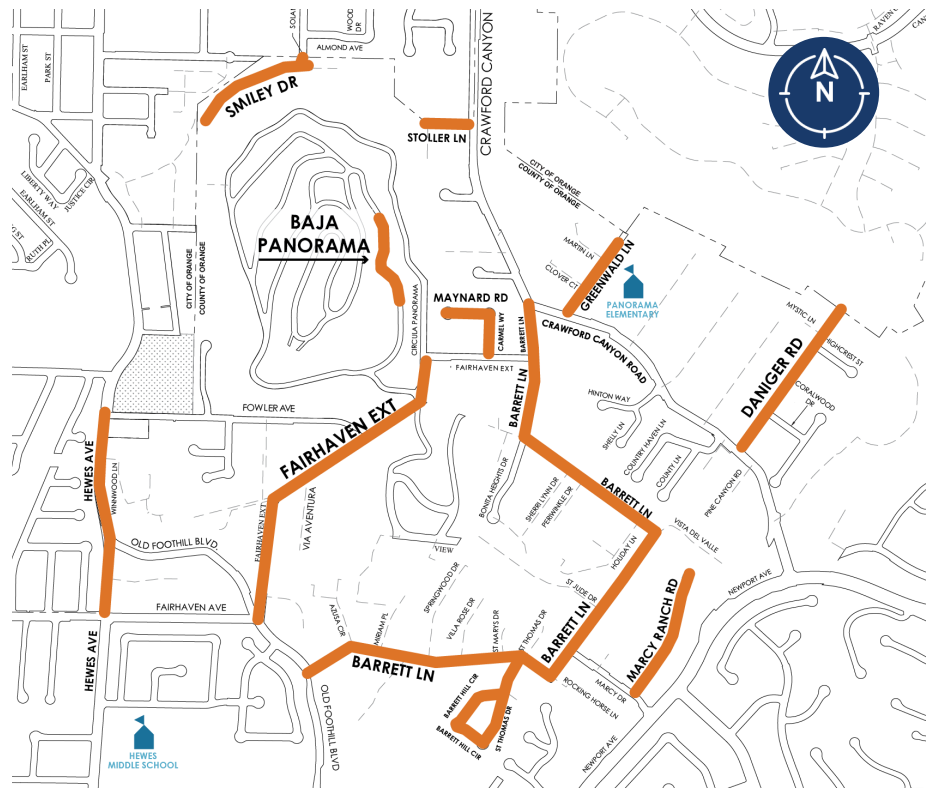

Advanced notification will be provided 48 hours in advance via door knob hangar cards and "No Parking" signs.

### ROAD/LANE CLOSURES

Pay attention to flaggers directing traffic past active work locations.

- Half-lane closures will be used during construction.
- Baja Panorama (non-residential segment) will require a full-road closure. Traffic detour signs will be placed during work on this street.
