

Red Hill Service Area Asphalt Concrete Overlay

Road/Lane Closures Needed

OC Public Works will complete an asphalt concrete overlay on various roads within the unincorporated Orange County area of Red Hill. **Access to residences may be limited during normal working hours, depending on the location of the work.** Advanced notification, door hangers and "No Parking" signs, will be provided 48-hours prior to construction activity.

WHAT

Work includes asphalt concrete overlay, utility adjustments, survey monument installations, reestablishing traffic striping and placing retroreflective pavement markers.

- Area motorists and other road users including residents, businesses and adjacent schools may experience traffic delays when traveling through the project areas.
- Temporary traffic control and detours will be in place to minimize impacts.
- Half-lane closures will be used during construction. Pay attention to flaggers directing traffic past active work locations.

WHERE

WHEN

May 2022 — June 2022

Working Days : Monday — Friday

Working Hours: 7 a.m. — 4 p.m.

Schedule is tentative and subject to change.
