

Flood Control Channel Improvements

Fountain Valley Channel Maintenance Project

ANTICIPATE PARTIAL LANE CLOSURES / SIDEWALK DETOURS

Project Summary

OC Public Works will complete a channel maintenance project at the Fountain Valley Channel in the City of Huntington Beach. The project begins near the east end of Talbert Park and continues along the channel west to Bushard Street.

WHAT

Work includes removing and replacing the concrete vertical walls, removing and replacing the cable fencing, concrete patch repairs and regrading of the access road.

All work is within unincorporated County right of way and adjacent to the City of Huntington Beach.

- Bushard Street will remain open at all times during construction;** however, partial lane closures and sidewalk detours may be required.
- Area motorists and other road users may experience delays when traveling through the project area during working hours.
-
