

Maintenance Alert: Updated Schedule

Peters Canyon Channel Sediment Removal Bike Trail Closure Due to Flood Control Maintenance Project **UPDATED SCHEDULE BELOW**

OC Public Works will remove accumulated sediment within the Peters Canyon Flood Control Channel from Interstate 5 to south of Edinger Avenue within the City of Irvine. The west side trail adjacent to the flood control channel will be temporarily closed while the east side we remain open.

i WHAT

Crews will be removing excess sediment from the Peters Canyon Flood Control Channel as part of flood control maintenance. The west side bike trail will be closed during project work hours, as trail users will be directed to the east side trail that will remain open.

📅 WHEN

October 31 — January 13, 2023

Closure of west side bike trail (including bike trail entrances/exits on west side of flood channel):

Weekdays, 7 a.m.—4 p.m.

📍 WHERE

-  Flood control channel maintenance area
-  Locations of west side bike trail entrances/exits closed during project work hours

Note: Entire section of west side bike trail between Edinger Ave and El Camino Real will be closed during project work hours. Detours will direct trail users to trail along east side of flood control channel.
