

Flood Control Channel Improvements (Irvine/Tustin)

Como Channel Structure Remodel

BIKEWAY/TRAIL DETOURS AND LANE CLOSURES REQUIRED (ALTERNATING LANES)

OC Public Works will complete a remodel of Como Flood Channel bulkhead structures at Harvard Avenue in the Cities of Irvine and Tustin (adjacent to the Como Channel Trail and Walnut Trail).

WHEN

November 28 — Late December, 2022

Working Days/Hours: Mon.—Fri., 7 a.m.—5 p.m.

Schedule is tentative and subject to change.

WHAT

Project work includes removing the existing wood pile-lagging revetments and replacement with permanent steel soldier piles and plates on both sides of Harvard Avenue.

BIKEWAY/TRAIL DETOURS

Access to/from Peters Canyon Trail is available at Edinger Ave. or Harvard Community Park*.

LANE CLOSURES/DELAYS

Area motorists and road users may experience traffic delays when traveling through the project area during working hours. Flag personnel will guide traffic one direction at a time. Use of alternate routes is encouraged.

SORRY FOR THE NOISE

Residents and road users may experience loud construction noise and vibration when traveling through the project area during working hours.

WHERE

CONTACT

Larry Quach, Resident Engineer (714) 245-4593

Mario Barragan, Senior Construction Inspector (714) 448-7746
