

Santa Ana Gardens Flood Control Channel Maintenance Project

Lane & Sidewalk Closures Needed

OC Public Works will complete repairs and maintenance in the Santa Ana Gardens Flood Control Channel to enhance flood protection in your area within the city of Santa Ana.

WHAT

Crews will be operating large equipment to perform maintenance activities along the Santa Ana Gardens Flood Control Channel in your area. Residents near the channel may experience a temporary increase in noise due to maintenance activities.

LANE & SIDEWALK CLOSURES:

• Warner Ave., west of Rene Dr.:

Westbound right lane and bike lane may be temporarily closed; Sidewalk may be intermittently closed and require pedestrians to use alternate sidewalks.

• Raiff St. north of St. Andrew Place:

Northbound right lane may be temporarily closed; Sidewalk may be intermittently closed and require pedestrians to use alternate sidewalks.

Motorists and other road users may experience delays when traveling in the project area during working hours. Please follow guidance from flag personnel and observe all project safety signs and barriers.

WHEN

Anticipated Duration

October 2, 2023 — February 2024

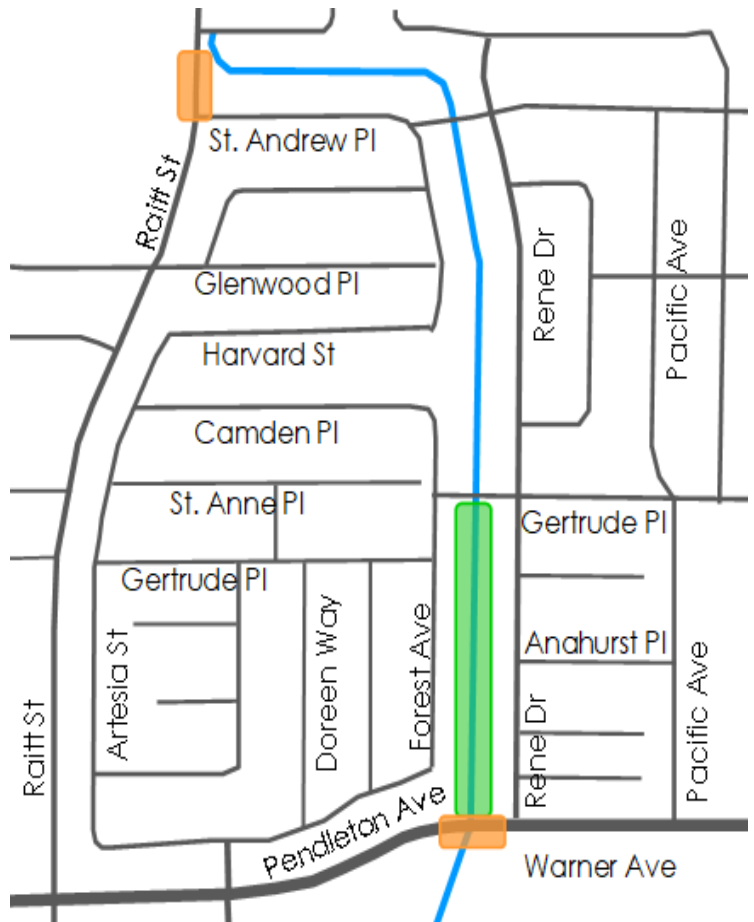

Working Days/Hours

Mon. — Fri. | 7 a.m. — 5 p.m.

The construction schedule is tentative and subject to change due to weather and other factors.

WHERE

- Flood control channel project area
- Partial lane / sidewalk closure as project vehicles and equipment access the channel
