

## Traffic Signal Installation: Oso Parkway at Coto de Caza Drive/Bend Road

**CHANGE IN INTERSECTION TRAFFIC MANAGEMENT**  
Existing Stop Signs to be replaced with new traffic signal system; Project will also include installation of other traffic management equipment.

### **i** WHAT

#### Project phases:

- 1** Underground utility work and installation of new fiber optic conduit (part of OC Public Works' Traffic Management Center remote monitoring system)
- 2** Asphalt and concrete restoration; upgrade of two curb ramps  
*(NOTE: 3-month period of no activity (Dec 2023—Feb 2024) due to anticipated timing of traffic signal poles delivery)*
- 3** Installation of traffic signal pole foundations, pole, signal lights and associated equipment

#### Attention: Be prepared for temporary closures!

- **Intermittent lane closures** to accommodate construction of curb ramps, sidewalk areas, traffic signal poles and underground conduit.
- **Temporary sidewalk closure along east and west sides** of Oso Parkway (not at same time) between Bridle Path and Coto de Caza Drive. Sidewalk closures expected to start as early as October 23, yet closures are temporary and will re-open daily at the conclusion of work. Sidewalk detour open along west side of Oso Parkway.
- Access to/from adjacent residential communities will remain open.

### **📅** WHEN

**October 23, 2023 — May 2024**

Schedule is tentative and subject to change.

**Working Days :** Monday — Friday

**Working Hours:** 7 a.m. — 3:30 p.m.

Lane closures will be limited during peak drive times to minimize impacts.

Intersection location    Intermittent sidewalk closures
