

LANE CLOSURES

Driving Lane Shifts for Street Resurfacing

WARNER AVE • SPRINGDALE ST • EDWARDS ST Huntington Beach

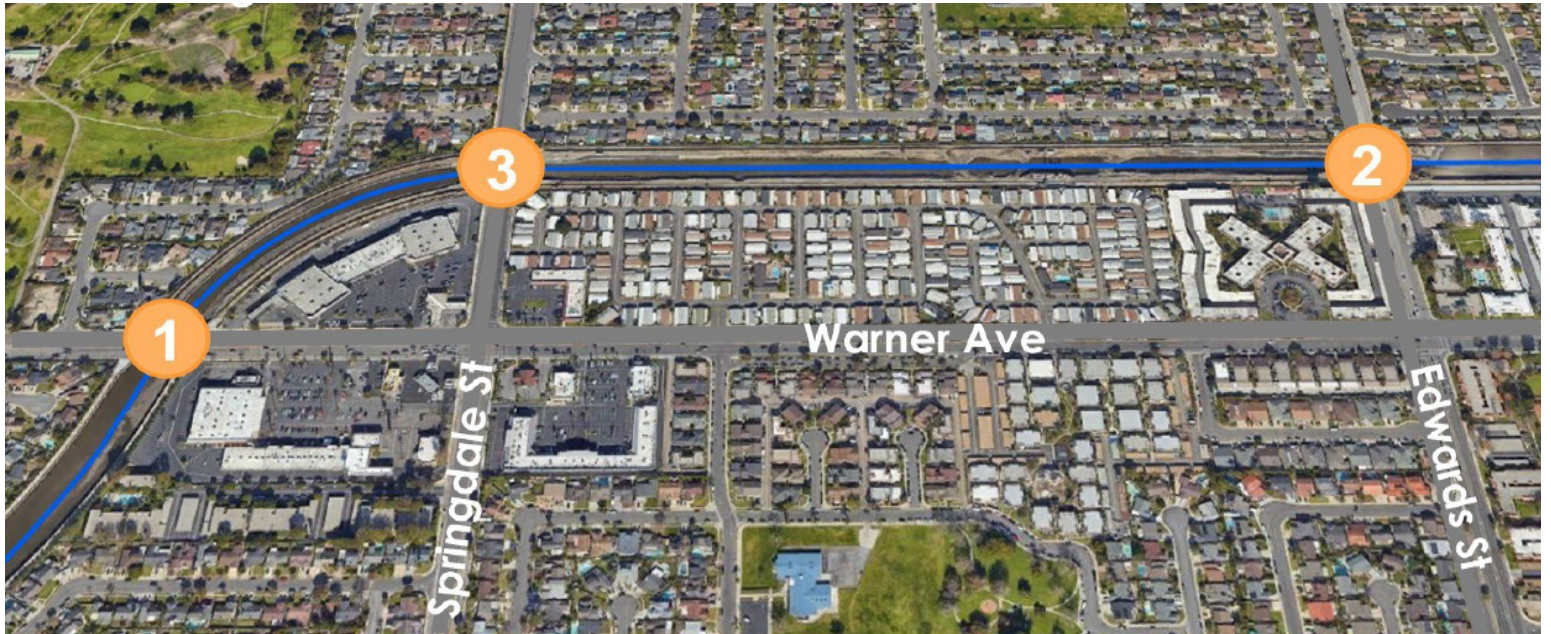

i WHAT: LANE CLOSURES

As OC Public Works nears completion of the bridge projects at Warner Ave, Edwards St. and Springdale St., crews will be applying a surface seal and re-establishing road striping and stenciling to each bridge. **1 - 2 lanes in each direction** will be closed at the following locations:

OPEN LANES	February 27	February 28	March 3
1. Warner Ave Bridge:	Two westbound lane One eastbound lane	One westbound lane Two eastbound lane	Varies
2. Edwards St Bridge:	One westbound lane One eastbound lane	One westbound lane One eastbound lane	Varies
3. Springdale St Bridge:	One westbound lane One eastbound lane	One westbound lane One eastbound lane	Varies

📅 WHEN: Thursday, February 27 - March 3, 2025

Your safety is our top priority! Please observe all project safety signs and barriers when traveling near the project area. Expect delays when traveling through the area. Use alternate routes.
