

Harbor Boulevard Bridge Maintenance

Project Summary

OC Public Works will begin routine maintenance to the Harbor Boulevard bridge near the Cities of Santa Ana and Fountain Valley. The majority of the construction activity will occur within the Santa Ana River flood control channel; however, **temporary lane closures will be present during regular working hours**. Traffic control measures will be in place. Residences and businesses located within close proximity to the project area may experience an increase in construction-related noise and dust.

WHAT

The maintenance works consists of repairing concrete underneath the Harbor Boulevard bridge and cleaning drains along the roadway. The construction activity will not impact the Santa Ana River Trail. The trail will be accessible for users at all times during normal operating hours.

WHEN

Anticipated Construction Duration

September 9 — September 27, 2019

Working Days & Hours

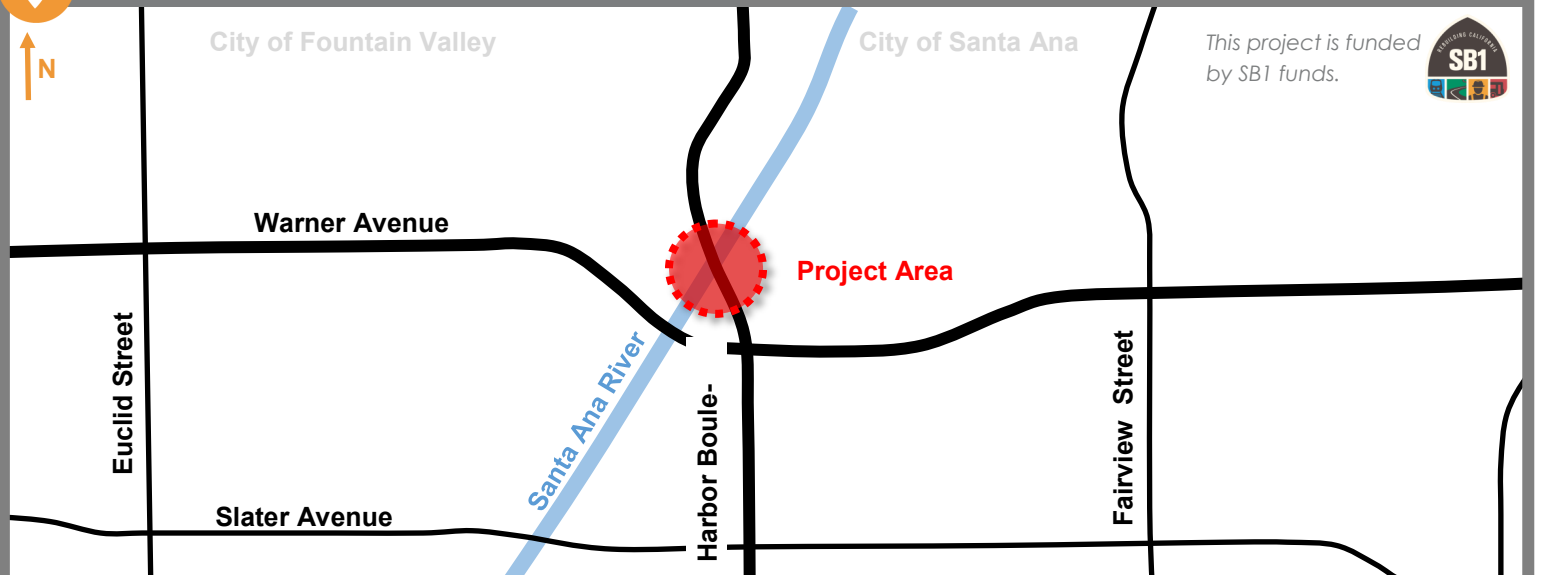

Weekdays | 7 am — 3:30 pm

Lane Closures

Weekdays | 8:30 am—4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
