

Community Meeting

Canyon Bridges Replacement Project: Ladd Canyon Road Bridge Community Meeting

We want to hear from you!

Project Summary

OC Public Works will remove and replace four bridges, with three located in Silverado Canyon and one in Modjeska Canyon. The bridges planned for replacement are 2-lane steel bridges built in the 1930s and 1940s. The new bridges are designed to enhance safety and access for residents and area motorists by bringing the structures up to current design standards.

WHEN

Tuesday, October 29, 2019 | 6:30 — 7:30 pm

WHERE

Silverado Community Center, Building B
27641 Silverado Canyon Road
Silverado, CA 92676

WHAT

OC Public Works will host a community meeting to inform residents of Silverado Canyon of the upcoming bridge replacement project. The bridge located near Ladd Canyon Road is the first of four bridges scheduled for replacement.

Silverado Canyon residents are encouraged to attend the meeting to learn more about the project, and provide input on the design aesthetics of the new bridge. **Your feedback is an integral part of the project process and will help shape an aesthetic design element of the new bridge.**

This community meeting will focus on the bridge located near Ladd Canyon Road.
