

Construction Alert

La Pata Water Quality Basins **Repair Project**

Project Summary

OC Public Works will repair two water quality basins adjacent to Avenida La Pata in the City of San Clemente and in an unincorporated County area. **Periodic and temporary lane closures during hauling activities may be required. Traffic control measures, such as flag personnel, will be present if lane closures are required.**

WHERE

WHAT

The basin repairs include removing area soil and pre-cast concrete slabs, installing hydro turf slope protection, installing pre-cast concrete ring and metal grates, and removing and replacing biofilter media and mulch. OC Public Works will also plant California Bulrush and other native species in the project area.

WHEN

Anticipated Construction Duration

November 5, 2019 — March 2020

Working Hours | Weekdays | 7 am — 4 pm

Lane Closures (if necessary) 9:30 am — 3 pm

The construction schedule is tentative and subject to change due to weather and other factors.
