If You Are Instructed To Evacuate

Listen to the radio or television for the location of emergency shelters and for other instructions from local emergency officials.

Wear protective clothing and sturdy shoes.

Use travel routes specified by local authorities and don't use shortcuts because certain areas may be impassable or dangerous.

Take important supplies to make your stay more comfortable.

- Special needs items such as prescription medications, eye glasses, contact lens solution, and hearing aid batteries or any items to meet your unique family needs.
- Bottled water and any snacks or candy you would really like to have with you.
- Portable, battery-powered radio with extra batteries.
- Flashlight with extra batteries.
- Sanitation and hygiene items (hand sanitizer, moist towelettes).
- Extra clothing, perhaps clean clothes for several days.
- Photocopies of identification and credit cards.
- · Cash and coins.
- Items for infants, such as formula, diapers, bottles, and pacifiers.
- Bedding needs to be the most comfortable you can be: pillows, blankets sleeping bag.
