

Silverado Canyon Area Bridge Maintenance & Repairs

Project Summary

OC Public Works will complete routine maintenance and repairs to the Thisa Way Bridge, Kitterman Drive Bridge and Silverado Canyon Road Bridge within the unincorporated County area of Silverado Canyon. **Please note, the roadway and bridges will remain open at all times during construction; however, road users may be subject to brief delays during equipment and material delivery.** Traffic control measures, including flag personnel will be present during construction activity.

i WHAT

Construction activity on Thisa Way Bridge, Kitterman Drive Bridge and Silverado Canyon Road Bridge, in general, will include removing and replacing rock slope protection, installing and maintaining erosion control measures, replacing damaged timber guardrail posts, repairing scour damage and vertical cracks. The majority of the work will take place within the creek, beneath the bridges.

📅 WHEN

Anticipated Construction Duration:

Silverado Canyon Road Bridge: June 24 — Mid July, 2019

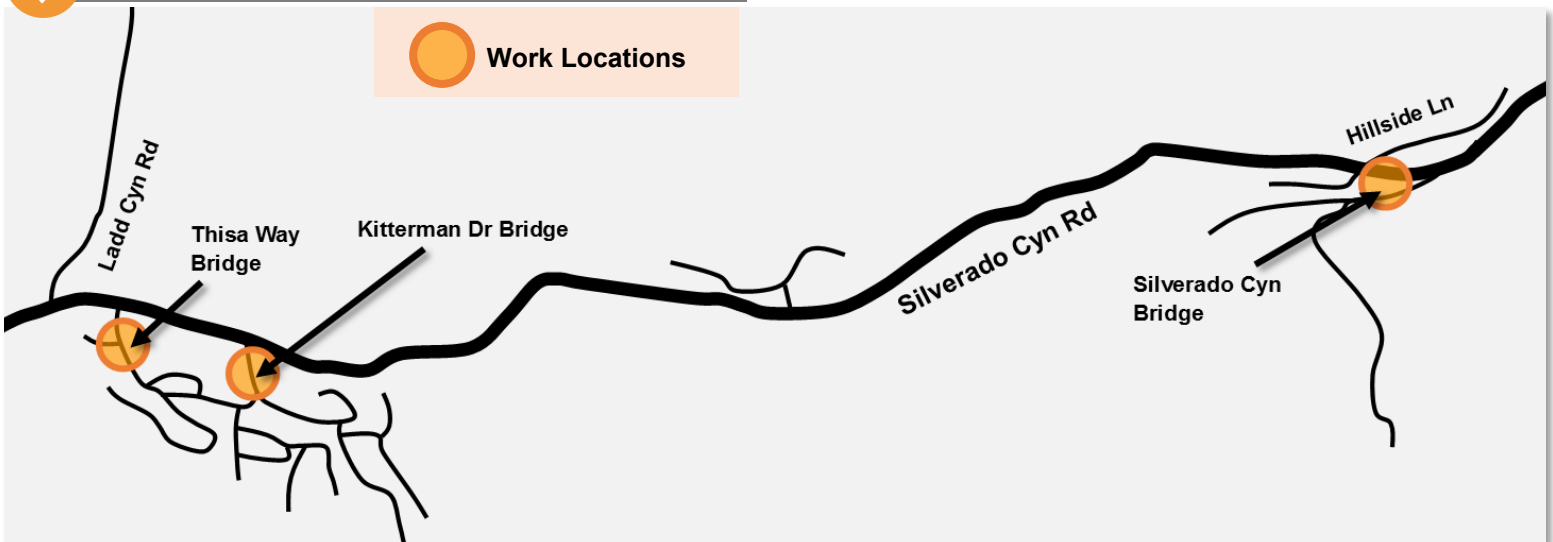

Kitterman Drive Bridge: July 8 — Mid August, 2019

Thisa Way Bridge: August 5 — September, 2019

Working Hours | Monday—Friday | 7 am — 5 pm

The construction schedule is tentative and subject to change due to weather and other factors.
