

Ocean View Channel Rehabilitation

Project Summary

OC Public Works will complete a routine rehabilitation project within the Ocean View Flood Control Channel in the Cities of Fountain Valley and Huntington Beach. All construction activity will occur within the channel; however, residences and businesses located within close proximity to the project area may experience an increase in construction related noise and dust.

WHAT

Work will consist of reestablishing the existing riprap, repairing concrete, restoring the channel's slope and removing excess sediment. Contractors will also backfill washout, install new asphalt pavement, install cable railing and replace wire fencing and fence posts.

WHEN

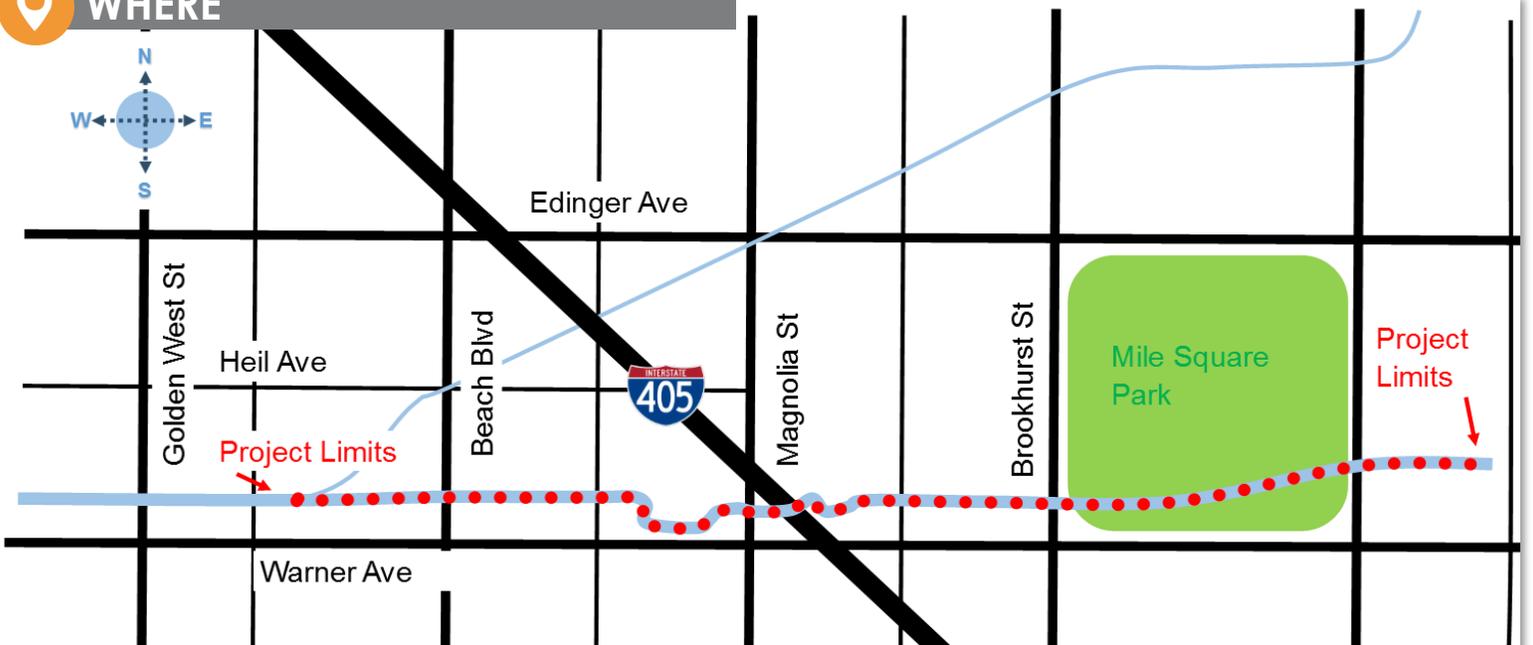

Anticipated Construction Duration

June 2019 — October 2019

Working Hours | Monday—Friday | 7 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
