

## Coyote Creek Channel Rehabilitation Project

### Project Summary

OC Public Works will complete routine maintenance and repairs within the Coyote Creek Flood Control Channel in the Cities of La Habra, La Mirada, and Buena Park. All construction activity will take place within the flood control channel right-of-way. **Please note, the multi-use path adjacent to the flood control channel will remain open at all times during construction.** Residents and businesses located within close proximity to the project area may experience an increase in construction-related noise and dust during normal working hours.

### WHAT

Work activity includes repairing isolated areas of concrete channel slope and invert, minor erosion repair, removal and replacement of deteriorated fencing, and repair maintenance roadway.

### WHEN

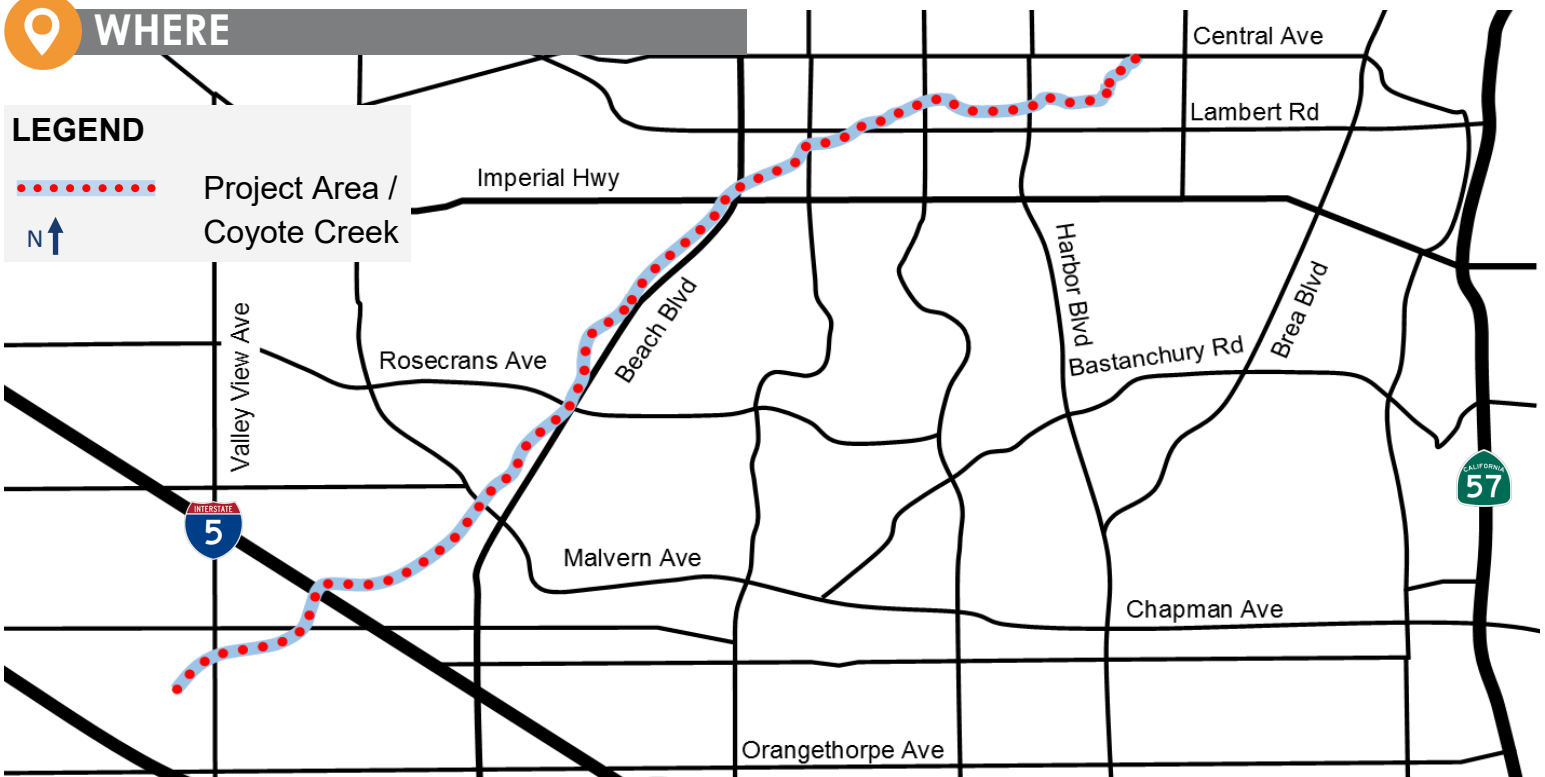

#### Anticipated Construction Duration

July 2019 — October 2019

**Working Hours** | Monday—Friday | 7 am — 4 pm

*The construction schedule is tentative and subject to change due to weather and other factors.*
