

Trabuco Oaks Drive Asphalt Overlay: Community Meeting & Project Information

Summary

OC Public Works will complete an asphalt overlay along the entire reach of Trabuco Oaks Drive, from Trabuco Canyon Road to the OCTA Nature Preserve. **Due to the width of the roadway, a full closure will be required at times to accommodate equipment and critical activities.** OC Public Works will host a community open house on Wednesday, July 17, 2019 from 6:00 — 7:30 pm at O'Neill Regional Park in the conference room. You're invited to attend to learn more about the various elements of the project. OC Public Works staff will be present to answer project-related questions.

WHAT

OC Public Works will complete the project in phases in an effort to mitigate the impact on residents and businesses located within the project area. **A full road closure will be required at times.**

"No Parking" signs and door hangers will be placed 48-hours prior to construction. Vehicles that impede construction activity, including those parked on the shoulder of the roadway will be subject to towing.

WHEN

Community Meeting Date & Location

Wednesday, July 17, 2019 | 6:00 — 7:30 pm

O'Neill Regional Park Conference Room
30892 Trabuco Canyon Road

Anticipated Construction Duration (Updated July 9, 2019)

July 22, 2019 — August 16, 2019

Working Hours | Weekdays | 8:30 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
